- How to make a revision timetable:
- Block off the hour blocks you cannot revise in because of family / clubs / commitments / school.
 - Block off one fun hour each day for fun activities.
 - Choose a subject for the remaining blank hours.
 - Use the specification and the revision guide contents to plan which topics to look at.
 - Use AI to create a revision plan for you – search ‘create a revision timetable for *(insert number)* days for *(insert amount of hours)* a day based on the GCSE *(enter exam board and subject name)* specification.
