Summer examination timetable

Dear Parents and Carers of Students in Year 10

All of our students in Year 10 will be completing end of year examinations over the course of May and June. The complete examination timetable has been uploaded to our school website [Y10 Mock Exams Timetable](#)

We will use the results to:

- help our teachers to plan targeted revision sessions for your child;
- make set changes where students may benefit from an adjustment;
- give an opportunity for your child to practice their revision skills.

We will run examinations in formal conditions for Maths, English and RE, and we will walk through the expectations with your child during the examination period. High standards of behaviour are required throughout. In addition to this, it is essential your child attends every day and on-time, so they do not miss out on this valuable experience.

We appreciate your continued support and wish all our Year 10 students the best of luck in their upcoming examinations.

Yours sincerely,

Mr G. Nandra
Assistant-Principal
