First day back

Students are expected to return to school as normal on Thursday 3 September 2026. Any variations for specific student groups will be communicated separately by Principals.

Attendance Matters

Looking ahead to September, one of the most important ways you can support your child's success is through excellent attendance from the very first day of term. Every school day matters. A strong start to the year helps children settle quickly into routines, build positive learning habits, strengthen friendships, and make the most of every learning opportunity. Across our Trust, we are committed to ensuring that every child attends school regularly and on time. Good attendance is closely linked to academic achievement, wellbeing, and future opportunities. Even a small number of missed days can have a significant impact on learning over time.

We kindly ask all families to:

- Ensure children return to school on their first day of term.
- Schedule holidays and routine appointments outside of school time wherever possible.
- Encourage punctuality and establish positive morning routines.
- Contact the school promptly if your child is unwell and unable to attend.

Parking

As always, we kindly ask all parents and carers to take extra care when dropping off or collecting children from our schools. Please park considerately, avoid blocking neighbours' driveways, and help us to keep the roads and pavements around our sites safe for everyone. The safety of our children, families, staff and local residents is of paramount importance, and we greatly appreciate your support in helping us maintain a safe environment for all.

On behalf of all staff, we wish you and your family a safe, restful, and enjoyable summer break. We look forward to welcoming all our children back to school in September.

Thank you once again for your continued support.

Yours sincerely,
