

17 September 2026

Dear Parents and Carers,

School lockdown – 17 September 2026

We are writing to inform you that earlier today, the school implemented a temporary lockdown procedure as a precautionary measure in response to an incident at the Waverley School gate.

Following our established safety protocols, all students and staff remained safely inside the building while we worked closely with the relevant authorities. The lockdown was lifted once it was confirmed that it was safe to do so, and the school has since returned to normal operations.

We would like to reassure you that throughout the duration of the lockdown, students were safe, supervised by staff, and supported appropriately. We recognise that situations such as this can cause concern, and we are proud of the calm and responsible way in which our students and staff responded.

As this is an ongoing matter being managed by the appropriate authorities, we are unable to provide further details at this time. However, we wanted to ensure that families were informed and reassured that the safety and wellbeing of our students remain our highest priority.

Thank you for your continued support and understanding.

Yours sincerely,

Mr. H. Derry
