

**Waverley School (EYFS-KS2)
PE & Sports Premium
2018-2019**

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit students joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the Ofsted Schools Inspection Framework, inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for students, and how effectively governors hold them to account for this.

Schools are required to publish details of how they spend this funding as well as on the impact it has on students' PE and sport participation and attainment. We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact.

Key achievements to date:	Areas for further improvement and baseline evidence of need:

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 5 students could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	15%
What percentage of your Year 6 students could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	2%
What percentage of your Year 6 students could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	2%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes In the plan for 2018-19 (Year 5 booster sessions)
