Thursday 17th March 2022

Dear Parents and Carers,

We are delighted to share with you that we will be launching the SIMs ParentApp to parents/carers of pupils in Year 8 on Friday 18th March 2022. We are starting with Year 8 but we plan to roll out ParentApp to all other pupils over the next few weeks.

This app will allow you to see up-to-date key information about your child during the school day.

When the app is launched you will be able to:

- see your child’s school timetable;
- view any positive behaviour referrals made about your child;
- view any negative behaviour referrals made for your child;
- view your child’s weekly attendance.

When we launch the app, you will receive an e-mail from SIMS directly. Please keep an eye out for an e-mail from noreply@sims.co.uk. This e-mail will provide you with further instructions.

The app can be accessed via any desktop PC, laptop, tablet or phone. The SIMS Parent App can be downloaded for free from the Apple Store or the Play Store.

You can read more on our website, including guidance on how to access the ParentApp and where to get help should you have any technical difficulties. [Click here to view.](#)

Yours sincerely,

Mr H. Derry
