1st April 2022

Dear Parents/Carers of Year 11,

RE: Year 11 Mock Exams Results Distribution and Study Support Parent Information: 'Prepare to Perform' on Wednesday 6th April 2022 4:30pm-6:00pm

I am delighted to invite you to an evening which will not only support you as parents and carers to enable your child to prepare well for exams but will also enable you to receive your child's March mock exam results and final estimated grades.

The first part of our evening starts in our main hall at 4:30pm when we will distribute mock exam information. It is important that (a) parent(s) and the year 11 child collect this information.

The second part of the evening is the study support.

During the study support session, we will give parents, carers and students some important and helpful advice and information including curriculum information, successful revision strategies in English, Mathematics & Science and how to plan, organise and carry out a successful revision programme across all subjects leading to the final exams.

Like in October, during the evening year 11 students who attend will be given a gift bag which will include a range of study support materials that we have bought for our students to support their revision journey.

All year 11 students have reached the final and crucial last weeks of their GCSE and Btec courses. The current examination system requires the content and skills that your child has acquired to be tested in terminal exams in May and June 2022. This means that students have to learn, retain, recall and apply huge volumes of information in exam conditions in order to access marks in exams. We want to do everything we can to help them to revise smartly over the Easter holidays, during April, May & June, and to help you to support them during this time.

If you have any questions about the evening please contact any of the following members of staff: Mrs Lloyd, Principal for Secondary and Sixth Form, Mr Derry, Vice Principal or Mr Dowe, Achievement Coordinator for Year 11.

I look forward to welcoming you to this very important and informative evening.

Yours sincerely,

Mrs A Lloyd
Principal - Secondary and Sixth Form
