

8th February 2023

Dear Parents and Carers of Students in Year 11 and Year 13,

Spring mock examination timetable

I am delighted to share with you the Spring mock examination timetable for pupils in Year 11 and Year 13. This has been published to our website and can be viewed by [clicking here](#).

The Spring Mock Exams are an important time for your child. This will be their final opportunity to practice their exams before they complete the external examinations in May 2023.

It will also give your teachers a detailed understanding of any gaps in your child's learning for which we will then provide additional support.

It is important that your child is prepared for this opportunity. Please support them by providing a quiet space to study during the half-term break.

The school will use the results of these mock examinations to prepare a predicted grade for your child in each of their subjects. These results will be shared as part of your child's reference for their apprenticeship, college, or Sixth Form applications.

Exam study support session – Monday 13th February 2023 – 4:00PM – 5:00PM
