

14 September 2023

Dear Parents and Carers,

We would like to start by welcoming all of our students back to school after the summer break. We hope you have all had the opportunity to spend time with family and friends.

We would like to start the academic year by sharing some important information and dates with parents and carers.

Car Parking

We have only had one week at school and we have already received complaints from our local residents and community about cars being parked irresponsibly before school starts and at the end of the school day. Can we please remind parents/carers not to park cars in front of neighbour's driveways and not to park on double yellow/zebra crossings. By doing so, it creates long queues outside the school and it is also making it difficult and dangerous for people to cross the road safely.

We hope we can count on your support in this matter as we do not want this issue to be escalated to the Police.

Early closures

1) Year 7 Open Evening

Waverley School secondary phase will be holding an Open Evening for prospective Year 7 parents and students on Thursday 28 September from 4.00pm to 6.30pm.

If your child collects a younger sibling in Primary and you would like them to remain on the secondary school site until 3.05pm, please email the school at enquiry@waverley.bham.sch.uk by Friday 22 September.
