7th November 2023

Dear Parents and Carers,

It is a pleasure to write to you within my new role as Principal for Waverley School - Secondary and Sixth Form.

Waverley School is a special place within which to learn and grow, where the students are at the heart of what we do. I am proud to have worked within this school, and other local schools within the community, for the past ten years.

I know how important it is that we have a successful partnership with you as our parents/carers. I am looking forward to welcoming you to visit the school and discuss how we can work together to support your child.

Next week I will be leading assemblies with all students on our core values: Humanity, Equality, Aspiration, and Respect. I will also remind them of our three rules: be ready, be respectful, and be responsible. I will set them a challenge to give themselves high targets and to work hard for their success.

Parent/Carer Forums

It was a pleasure to welcome parents/carers to our Year 11 forum on the 23rd October 2023. We have another parent/carers forum for Year 8 students on the 13th November 2023 at 2:30PM. Parent/Carers forums for all other year groups will be following shortly and I look forward to meeting you during these sessions.

Year 11 & Year 13 mock examinations

This week is the start of mock examinations for Year 11 and Year 13. We know it is a busy and challenging time for them. We wish them the best for their upcoming assessments and we look forward to sharing their results with you.

Wishing your child a successful, productive half-term.

Yours sincerely,

Mr H. Derry
Principal
Waverley School - Secondary and Sixth Form
