Waverley School

Now enrolling for 2024. Places still available for 2023.

Teachers promote a love of reading. The phonics programme in Reception is taught in a well sequenced order. Books are matched well to the letters and sounds children know. This ensures children can decode successfully.

There is a calm orderly environment in the early years.

Pupils are happy to come to this school.

Children listen well to adults and to each other.

Pupils have a strong understanding of diversity, respect and tolerance, including for different family lifestyles.

Learning is appropriately challenging. The curriculum is ambitious, designed to stretch pupils regardless of their starting points. The all-through provision enables pupils moving from primary to secondary to build on their prior learning.
