

2nd October 2024

Dear Parents and Carers of Year 7,

I am writing to inform you about our decision to place Year 7 students into sets on **Monday 7th October** based on their academic performance across KS2 and some of the baseline assessments that have been carried out in certain subjects. This approach is designed to tailor the learning experience to meet each student's individual needs, providing the appropriate level of challenge and support to help them thrive.

Key Points:

- **Purpose of Setting:** The primary goal is to ensure that each student receives an education that suits their academic abilities and encourages growth.
- **Criteria for Placement:** Students will be assessed using a variety of criteria, including previous academic performance, teacher assessments, and standardised test results.
- **Implications for Your Child:** Each set will receive a curriculum that is specifically tailored to the abilities of the students within it.

We appreciate your support and understanding as we strive to enhance the educational experience for all our students.

If you have any immediate questions or require further clarification, please do not hesitate to contact me at enquiry@waverley.bham.sch.uk

Thank you for your continued support and involvement in your child's education at Waverley Secondary School.

Yours sincerely,

Mr G. Nandra
