2 December 2025

12 Days of Christmas Attendance Challenge!

Dear Parents and Carers,

We are delighted to introduce a new attendance initiative - 12 Days of Christmas, which is aimed at supporting every child's learning, progress and attendance. Regular attendance is essential for academic success, and we want to celebrate and encourage pupils who demonstrate excellent commitment to being in school.

Starting **Thursday 4 December 2025**, pupils who maintain full attendance will have the opportunity to participate in a series of exciting activities and rewards.

Each day, the names of pupils with full attendance will be entered into a prize draw, and one winner will receive a special gift. This is a cumulative challenge: to qualify for each day's prize, pupils must have attended all previous days in the initiative. For example, to be eligible for the Day 2 prize, pupils must be present on both Day 1 and Day 2. This ensures that rewards go to those demonstrating consistent attendance throughout the period.

What makes this even more exciting is that the prizes get bigger and better as the days go on! This means that pupils who maintain full attendance throughout the 12 days (up until Friday 19 December) will have the opportunity to win the most special rewards at the end of the initiative.

Please see the attached sheet for details of the activities and prizes planned. We hope this will motivate all our pupils to attend every day and enjoy the festive fun together.

Thank you for your continued support in helping us make school a positive and engaging place for every child.

Yours sincerely,
